

The Princess

The woman who possesses vision, insight - and the keys.
She is potentially a love interest, but instead becomes a sister.

=

=

Galadriel

Hermione

Leia

(It is saddening how few great women roles there are in the classic hero's journey.
Happily, this is changing.)

The Gentle Giant

Initially fearsome,
he proves to have a heart as huge as his body.

Gimli

=

Hagrid

=

Chewie

(Beards again, help.)
